Years of Tradition

---

Your generous donations help continue the Doster Tradition at Purdue University

## ENGAGED RECRUITING

### **Unique Opportunity to Interact with Students**

- Sponsors will gain valuable access to Daniel's top leaders through interactions and collaborations over the course of DLC
- See first-hand how students work together and perform in an environment that is not a traditional job fair or interview

### **Corporate Visibility with Top Daniels Students**

- Along with previewing top talent, the leadership conference provides the opportunity for top students to gain a strong interest in your organization early on
- Build long-lasting relationships with students as they continue to see your company support DLC year after year
