\$500
Cost of One Student to Attend the 2022 Doster Leadership Conference

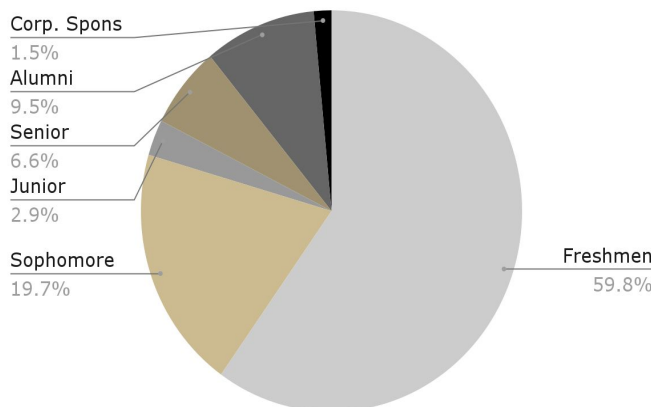

\$1,000
Cost of Two Students to Attend the 2022 Doster Leadership Conference

"I attended DLC my freshman and sophomore years and the experience helped acclimate me to Purdue and gain methods of functional leadership. This is truly a one of a kind conference connecting students to the Krannert network while providing collaborative learning opportunities. As a student board, our goal is not just to talk about leadership, but create an environment that allows students to cultivate personal growth, no matter their level of experience."

-Kim Standeford
